Regionals/Invitationals

Wisconsin has a total of 7 Division C and 4 Division B Invitational tournaments. These offer teams extra practice as they prepare for regionals and state. Regional tournaments determine which teams qualify for state. The stakes are high with the numbers of registered teams in both divisions.

Contact your Event Captains!

You should have received an email connecting you with your event captain. Please consult them with technical questions related to your event. They are more than happy to help.

State Info

Contact Nicole if you have any new updates on volunteers, equipment, or anything you need for the tournament.

Exam deadline

State exam are due to Nicole by Feb 28th.
Feedback will be provided by March 15th-20th.

“Success is no accident. It is hard work, perseverance, learning, studying, sacrifice, and most of all, love of what you are doing or learning to do.”

Slack Messaging

We are using Slack messaging to communicate throughout the state tournament. You will be added to the appropriate channels very soon. If anyone does not have a Slack account please sign up (it's free): <https://slack.com>. We can even begin chatting on Slack before the tournament!

UPCOMING VIDEO CHAT

I will offer two video chat sessions each month, so if one date doesn't work please attend the other. These video chats are a great opportunity to meet and see others, share ideas, ask questions, etc. The two January meetings will be on:
Thursday, January 23rd at 7pm
Sunday, January 26th at 7pm

You will be receiving an email invite very soon. I am highly recommending/requiring joining at least one sessions per month.

Looking forward to seeing everyone!
