

NAME: _____
Homeroom Teacher: _____

Science Olympiad Student Event Request Form

To aid in event selection, please visit the national website for brief descriptions of each event.

Division B (Middle School) <https://www.soinc.org/learn/b-event-short-descriptions>

Division C (High School) <https://www.soinc.org/learn/c-event-short-descriptions>

The events that will be run at the WSO State tournament are listed here: <https://www.wisconsinso.org/events/>. Note that several National events will not be run at the Div C and B levels and have been replaced by events that are up and coming National events which our Board Of Directors believe will provide a better Science Olympiad experience for our Wisconsin teams.

Build Event Selection

I would like to participate in the following building event (choose ONE, unless only doing building events).

Building Event Choice: _____

This is what I know about the topic:

I am choosing this build event because:

Non-Build Event Selection

I would like to participate in the following non-building events:

Choose at least **TWO**, but not more than **FOUR** as your **first choices**:

Indicate your **SECOND choices**:

BEFORE CHOOSING: Please check the attached state schedule. We are team number _____. Do not choose events that are in the same time slot for our team block.

This is what I know about the topic:

I am choosing this build event because:
