

Science Olympiad Parent/Guardian Letter

Dear Parent(s)/Guardian(s),

We are so excited your child has chosen Science Olympiad as one of his/her co-curricular experiences at _____ School. This club will provide an opportunity to explore their love of science while building on teamwork skills. A contract has been developed in order to ensure a safe, productive, successful, and enjoyable _____ (middle/high) school co-curricular. This contract has been provided to your child. Please review this contract with your child.

There are many regional and invitational tournaments throughout the year. Visit <https://www.wisconsinso.org/regionalinvitational-tournaments/> for dates and locations.

- Invitationals (optional)
- Regional at _____ on _____
- State at _____ on _____

We are looking for parent volunteers to help us out in a variety of ways, including:

- Coaching/mentoring for specific events (rules and coaching tips will be provided)
- Chaperoning at the invitational and regional competitions
- Chaperoning at the state competition (monitoring of the homeroom and walking students to/from events in different buildings on campus)

If you are willing to help us out, please print your name and an e-mail address so we can reach you. If you do not have e-mail access, please provide a phone number.
